

# Protected species of Estonia

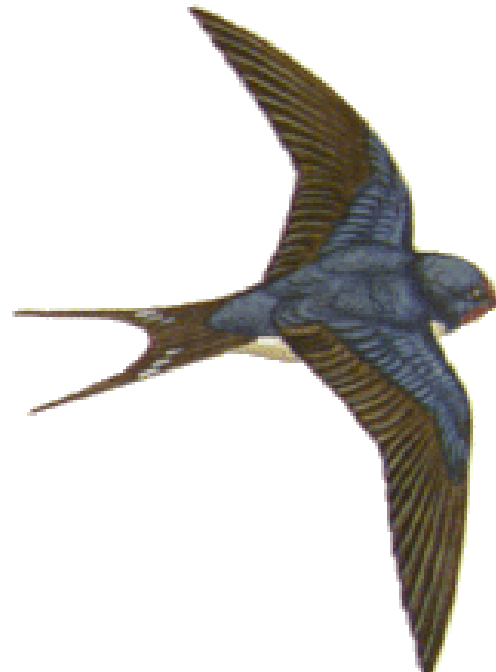

**„Nature and its magic sounds“**  
**Comenius project**  
Pärnu-Jaagupi Gümnaasium  
Estonia

Lifelong Learning Programme

# Conservation of species

- There are 570 species of plants, mushrooms and animals protected in Estonia
- There are 3 categories of protection.
- National bird of Estonia:
- *Hirundo rustica*

# Nature conservation day in Estonia

- Second Sunday of May is the nature conservation day in Estonia. It is a day when people do civil work for habitat restoration.  
<http://www.teemeara.ee/en>
- Today – nature conservation day is celebrated all over the world!
- **Let's do it - the Day of Civil Actions.**
- **The Day of Civil Actions will take May 2014 in the same format as I**
